INFORMATION CIRCULAR

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “**Notice**”) and is furnished to shareholders (the “**Shareholders**”) holding common shares (the “**Common Shares**”) in the capital of Altamira Gold Corp. (the “**Company**” or “**Altamira**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting of the Shareholders to be held at 10:00 a.m. (Vancouver time) on **September 27, 2019** at the offices of the Company, Suite 1500 – 409 Granville Street, Vancouver, BC, V6C 1T2 or at any adjournment or postponement thereof (the “**Meeting**”).

Date and Currency

The date of this Information Circular is **August 15, 2019**. Unless otherwise stated, all amounts herein are in Canadian Dollars.

In this Information Circular, references to “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Common Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

The Company has arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). The Company has not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

NOTICE AND ACCESS PROCESS

The Company has decided to use the notice and access model (“**Notice and Access**”) provided for under amendments to National Instrument 54-101 for the delivery of the Information Circular, audited financial statements and Management’s Discussion and Analysis for the financial year ended February 28, 2019 (the “**Circular and Financials**”) to Shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Circular and Financials, Shareholders receive Notice with information on the Meeting date, location and purpose, as well as information on how they may access the Circular and Financials electronically.

Shareholders with existing instructions on their account to receive printed materials and those Shareholders with addresses outside of Canada and the United States will receive a printed copy of the Circular and Financials with the Notice.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on the record date of **August 15, 2019** (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc. (“**Computershare**”) at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Registered Shareholders electing to submit a proxy may do so by:

- (i) Completing, dating and signing the enclosed form of proxy and returning it to Computershare by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada;
- (ii) Using a touch-tone phone to transmit voting choices to the toll-free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy for the toll-free number, the holder’s account number and the Proxy Control Number; or
- (iii) Using the internet through the website of Computershare at www.investorvote.com. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy for the holder’s account number and the Proxy Control Number.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law. Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. **The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

VOTING BY NON-REGISTERED SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Non-Registered Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and

custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Non-Registered Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting. In accordance with securities regulatory policies, the Company has distributed copies of the Notice and the form of proxy (or voting instructions form) and made the Circular and Financials available (collectively, the “**Meeting Materials**”) to the clearing agencies, directly to the Intermediaries and/or directly to non-objecting Non-Registered Holders using Notice and Access.

The Company does not have access to names of Non-Registered Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Non-Registered Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Non-Registered Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Non-Registered Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Non-Registered Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Non-Registered Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Non-Registered Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Non-Registered Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.**

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Non-Registered Shareholder may attend at the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. Non-Registered Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Non-Registered Shareholder may request in writing that his or her broker send to the Non-Registered Shareholder a legal proxy which would enable the Registered Shareholder to attend at the Meeting and vote his or her Common Shares.

The Meeting Materials are made available to both Registered Shareholders and Non-Registered Shareholders using Notice and Access. If you are a Non-Registered Shareholder and the Company or its agent has sent the Notice and form of proxy directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Common Shares on your behalf, or the agent of such Intermediary. By choosing to send the Notice and Proxy to you directly, the Company (and not the Intermediary holding shares on your behalf) has assumed responsibility for (i) delivering the Notice and form of proxy to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

All references to Shareholders in this Information Circular are to Registered Shareholders, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company’s last financial year, each proposed

nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the Record Date, determined by the Company’s board of directors (the “**Board**”) to be the close of business on August 15, 2019, a total of 69,961,603 Common Shares were issued and outstanding. Each Common Share carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, securities carrying more than 10% of the voting rights attached to any class of voting securities of the Company.

RECEIPT OF FINANCIAL STATEMENTS

The directors will place before the Meeting the audited consolidated financial statements for the financial year ended February 28, 2019 together with the auditors’ report thereon.

ELECTION OF DIRECTORS

The directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are elected or appointed, unless his or her office is earlier vacated in accordance with the articles of the Company (the “**Articles**”) or with the provisions of applicable corporate legislation. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the board of directors (the “**Board**”).

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors for the ensuing year at six (6). The number of directors will be approved if the affirmative vote of the majority of Common Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at six (6).

The Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase Common Shares. The Company's Shareholders approved the Plan at the Company's annual general meeting held on September 27, 2018.

For additional details regarding the terms of the Plan, see below under the heading "Ratification of Stock Option Plan".

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decision relating to them, as applicable, in accordance with the applicable corporate legislation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has a short term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of stock options under the Plan. The Company intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the Shareholders. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance. The Company relies on Board discussion without a formal agenda for objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension Plan Benefits

The Company does not have any pension plans that provide for payments or benefits to the NEOs at, following, or in connection with retirement, including any defined benefits plan or any defined contribution plan. The Company does not have a deferred compensation plan with respect to any NEO.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the Plan. The Plan was established to assist the Company in attracting, retaining and motivating directors, executive officers, employees and consultants and to closely align the personal interests of those people with those of Shareholders. The Board administers the Plan. The Plan provides that the Company may grant options, under option agreements and in accordance with the policies of the TSX Venture Exchange (the “Exchange”). Detailed information on the Plan can be found under “Ratification of Stock Option Plan”.

The following table sets out equity compensation plan information as at the end of the financial year ended February 28, 2019.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, no informed person of the Company nor any associate or affiliate of any informed person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any transaction since the commencement of the Company’s most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

Ratification of Stock Option Plan

In accordance with the policy of the Exchange, the directors of the Company have adopted the Plan, subject to Shareholder and Exchange approval. The Plan complies with the requirements of the Exchange for Tier 2 issuers. Under the Plan, a maximum of 10% of the issued and outstanding Common Shares of the Company are proposed to be reserved at any time for issuance on the exercise of stock options (“**Options**”). As the number of Common Shares reserved for issuance under the Plan increases with the issue of additional Common Shares by the Company, the Plan is considered to be a “rolling” stock option plan.

A copy of the Plan will be available at the Meeting for review by the Shareholders at the Meeting.

Summary of Terms of the Plan

The Plan is in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the Plan a maximum of 10% of the issued and outstanding shares of the Company at any time, less any shares required to be reserved with respect to options granted by the Company prior to the implementation of the Plan. The Plan is administered by the Administrator on the instructions of the Board. Subject to the provisions of the Plan, the Board in its sole discretion will determine all options to be granted pursuant to the Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. The Administrator will comply with all regulatory requirements in granting options and otherwise administering the Plan. A summary of some of the additional provisions of the Plan follows below. Capitalized terms not otherwise defined are defined in the Plan.

- Options may be granted to bona fide Directors, Employees and Consultants;
- the Board in its sole discretion, will determine which Directors, Employees and Consultants, if any, may be awarded Options and may, in its sole discretion, grant the majority of the Options to insiders of the Company;
- Option Holders will not be granted Options if their holdings will exceed 5% of the Company’s issued and outstanding share capital and any Consultants will not be granted Options if their holdings will exceed 2% of the Company’s issued and outstanding share capital;

- the maximum number or percentage of Common Shares that may be reserved under the Plan for issuance pursuant to the exercise of Options is 10% of the issued and outstanding number of Common Shares and any unexercised Options will be available to grant under the Plan;
- the expiry date of an Option shall be fixed by the Board at the time the Option is granted and shall be no later than the five years, or such later date as allowed by the policies of the Exchange;
- Unexercised Options shall terminate on the Expiry Date or earlier as applicable:
 - if the Option Holder dies while he or she is still a Director, an Employee, or a Consultant, the Options will expire one year from the Option Holder's death;
 - if the Option Holder ceases to be a Director other than by reason of death, the Options will expire 90 days after the Option Holder ceases to be a Director;
 - if the Option Holder is removed as a Director by ceasing to meet the qualifications of the *Business Corporations Act* (British Columbia) or is removed pursuant to any Regulatory Authority, the Options will expire immediately;
 - if the Option Holder ceases to be an Employee other than by reason of death, the Options will expire 30 days after the Option Holder ceases to be an Employee;
 - if the Option Holder is removed as an Employee, or a Consultant by termination for cause or is removed pursuant to any Regulatory Authority, the Options will expire immediately;
 - if the Option Holder is performing Investor Relations activities the Options will expire 30 days following termination of the Investor Relations activities;
 - if the Option Holder performing Investor Relations activities is removed as an Employee, or a Consultant by termination for cause or is removed pursuant to any Regulatory Authority, the Options will expire immediately;
- the Option Price will not be less than the Discounted Market Price (as that term is defined under Exchange policies) of the Company's Common Shares on the date of grant;
- Options are not assignable or transferrable except in the event of death of the Option Holder to executor or administrator of the deceased Option Holder or the person entitled by law to act on behalf of such Option Holder;
- Options may be subject to vesting provisions;
- Common Shares underlying the Options are subject to securities laws resale restrictions;
- the Board may amend the Stock Option Plan subject to applicable Exchange policies and securities laws; and
- amendments to the Exercise Price of Options held by insiders must have disinterested shareholder approval.

As at February 28, 2019, there were 5,735,000 Options issued and outstanding.

Shareholder Approval

In order to exercise Options granted under the Plan, the Plan must first be accepted by the Exchange. In order to obtain Exchange acceptance, the Exchange requires that "rolling" stock option plans receive shareholder approval at a company's annual general meeting. For these reasons and also to ensure that the Plan is acceptable to the Company's Shareholders, the Board will ask the Shareholders to approve the Plan at the Meeting. Accordingly, the Shareholders will be asked to consider and, if thought fit, pass the following resolution.

“Resolved that, subject to TSX Venture Exchange Inc. (the “Exchange”) approval:

1. The Company’s current 10% rolling stock option plan (the “**Stock Option Plan**”), including the reserving for issuance under the Stock Option Plan at any time a maximum of 10% of the issued Common Shares of the Company, be ratified, confirmed and approved;
2. The Company be and is hereby authorized to grant stock options under the Stock Option Plan, in accordance with its terms;
3. The Company be and is hereby authorized to prepare such disclosure documents and make such submissions and filings as the Company may be required to make with the Exchange to obtain Exchange acceptance of the Stock Option Plan; and
4. Authority be and is hereby granted to the Board of Directors of the Company to make such amendments to the Stock Option Plan as may be required by the Exchange to obtain Exchange acceptance of the Stock Option Plan.”

It is the intention of the persons named in the enclosed instrument of proxy, if not expressly directed otherwise in such instrument of proxy, to vote such proxies FOR the ordinary resolution to approve the Plan. An ordinary resolution is a resolution passed by the Shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

Management of the Company recommends that Shareholders vote in favour of the above ordinary resolution.
